COOPER-STANDARD AUTOMOTIVE INC.**

**CHARTER OF THE AUDIT COMMITTEE
OF THE BOARDS OF DIRECTORS**

I. PURPOSE

The Audit Committee (the “Committee”) has been established by the Boards of Directors (collectively, the “Board”) of Cooper-Standard Holdings Inc. and Cooper-Standard Automotive Inc. (collectively, the “Company”) for the purpose of assisting the Board in fulfilling its responsibility to oversee (i) the Company’s financial reporting process, (ii) the integrity of its financial statements, (iii) its compliance with legal and regulatory requirements, (iv) the independence and qualifications of its independent auditor, (v) the effectiveness of its internal controls and (vi) the performance of its internal audit function and its independent auditor. In addition, each year the Committee shall deliver the report of the Committee required to be included in the Company’s proxy statement relating to the election of directors.

The primary role of the Committee is to oversee the financial reporting and disclosure process. To fulfill this obligation, the Committee relies on: management for the preparation and accuracy of the Company’s financial statements; both management and the Company’s internal audit department for establishing effective internal controls and procedures to ensure the Company’s compliance with accounting standards, financial reporting procedures and applicable laws and regulations; and the Company’s independent auditors for an unbiased, diligent audit or review, as applicable, of the Company’s financial statements and the effectiveness of the Company’s internal controls. The members of the Committee are not employees of the Company and are not responsible for conducting the audit or performing other accounting procedures.

II. COMPOSITION AND MEETINGS

The Committee shall have as its members three or more directors as determined and appointed by the Board, each of whom meets the independence and financial literacy requirements of the New York Stock Exchange (the “NYSE”) and otherwise satisfies the applicable requirements for audit committee service imposed by the Securities Exchange Act of 1934, as amended and the Company’s independence guidelines; provided that, with respect to the number of Committee members, the Committee may have fewer than three directors for a transitional period to the extent permitted by the corporate governance standards of the NYSE. The members of the Committee shall be appointed by the Board based on recommendations from the nominating and corporate governance committee of the Board. The members of the Committee shall serve for such term or terms as the Board may determine or until earlier resignation or death.

Committee members shall not simultaneously serve on the audit committees of more than three other public companies unless the Board determines that such simultaneous service would not impair the ability of such director to serve effectively on the Committee. At least one member of the Committee shall be an “audit committee financial expert” as defined by Securities and

Exchange Commission regulations. Determinations as to whether a particular director satisfies the requirements for membership on the Committee shall be made by the Board. The Board may fill vacancies on the Committee and remove a member of the Committee at any time with or without cause.

The Committee shall meet with such frequency and at such intervals as it shall determine is necessary to carry out its duties and responsibilities but, in any case, not less than four times a year. The Board shall designate one member of the Committee to serve as its chairperson. The chairperson will preside, when present, at all meetings of the Committee. The Committee will meet at such times as determined by its chairperson or as requested by any two of its members. Notice of all Committee meetings shall be given, and waiver thereof determined, in accordance with the notice and waiver of notice requirements applicable to the Board.

Each member of the Committee shall have one vote. One-third of the Committee members, but not less than two, shall constitute a quorum, and all actions of the Committee shall require the affirmative vote of a majority of those present at the meeting. The Committee shall maintain minutes and other appropriate records of meetings and activities of the Committee. The Committee shall meet separately, periodically, with management, internal auditors and the independent auditor.

Unless the Committee by resolution determines otherwise, any action required or permitted to be taken by the Committee may be taken without a meeting if all members of the Committee consent thereto in writing. Members of the Committee may participate in a meeting through the use of conference telephone or similar communications equipment, and such participation shall constitute presence at such meetings. The Committee may request any officer or employee of the Company or the Company's professional advisers to attend any meeting of the Committee.
